FLETTON QUAYS

PETERBOROUGH

PHASE 1
introducing...

Weston Homes at Fletton Quays offers a modern collection of one, two and three bedroom apartments. This multimillion pound redevelopment of Peterborough’s South Bank offers high quality new homes, a luxury hotel and sky bar, restaurants, shops and offices. Fletton Quays is set to become the most desirable and central Riverside destination in the city. Infusing the immediacy of city living with the contemporary desires for comfort and style, the apartments at Fletton Quays are truly aspirational.
Peterborough is a beautiful heritage city in the heart of rural Cambridgeshire in the East of England, bridging Rutland, Lincolnshire and Northamptonshire borders and is one of the fastest growing cities in the UK. The city has a rich history dating back to the first human settlement in the area during the Bronze Age, which can be seen at the Flag Fen archaeological site to the east of the current city centre, also with evidence of Roman occupation.

The Anglo-Saxon period saw the establishment of a monastery, Medeshamstede, which later became Peterborough Cathedral. Peterborough today is a diverse and ever-growing modern city of around 200,000 inhabitants – it still retains its medieval heart with its street plan and magnificent Cathedral but today the city boasts an ever evolving cosmopolitan aura, a beautiful city to call home.
Peterborough is the embodiment of what you want a city to be, and with the formation of the Cambridgeshire and Peterborough Combined Authority in 2017, the area is set to receive hundreds of millions of pounds in government investment to build ever closer links with Cambridge; and with the governments growth corridor scheme (similar to Silicon Valley) as a result Peterborough’s local economy will double in size.

The city offers a plethora of award-winning parks and nature reserves; most notably The Wildlife Trusts Great Fen which is a 50-year project to create a huge wetland area. One of the largest restoration projects of its type in Europe, the landscape of the fen is being transformed for the benefit of both wildlife and people. Close by is the inspiring Barnsdale Garden, Britain’s largest collection of individually designed gardens, or take a boat trip down the River Nene on the Captain’s Folly to experience the breathtaking views of Ferry Meadows.

Peterborough is home to the Queensgate Shopping Centre which houses over 90 shops, a wealth of places to eat and thousands of brands. The City Market is open 5 days a week and offers local fresh produce and crafts. Within the city there are 2 theatres. The Key Theatre brings great entertainment to the area with a theatre programme made up of ‘home-grown’ productions, national touring shows, local community productions and a full programme of one-off concerts. Whilst The Cresset Theatre has a thriving performing arts programme providing opportunities for all ages.

From exhibition to trade fair, arena or outdoor concerts, through to corporate events and conferences The East of England Arena & Events Centre is within easy reach. Planet Ice Peterborough is a public skating arena which hosts weekly disco sessions, parent & toddler sessions, and offers courses that teach a wide variety of winter sports and disciplines.

Whether it’s fine dining, gastro pub cuisine or simply a light snack in a bar, Peterborough has a great selection of places to eat and drink. Indulge at tables from around the world with a spicy Mexican, a fragrant Thai, or a creamy curry, stylish Italian or hearty English. For a romantic treat, try one of the floating restaurants down by the river or experience the pre-performance supper at the Café Clarke’s Restaurant at the Key Theatre.
Peterborough’s fortune lies with its abundance of beautiful award-winning green open spaces, notably Central Park, the winner of the National Green Award for 12 successive years. Home to one of the largest green open spaces in Peterborough is Bretton Park, a captivating landscape with much to explore and discover. Flag Fen Archaeology Park is a unique ancient wooden monument, where a kilometre long wooden causeway and platform are perfectly preserved in the wetland. 3300 years ago this was built and used by the Peterstone fen people as a place of worship and ritual. 65,000 upright timbers and 250,000 horizontal planks are buried under the ground along with many swords and personal items given as offerings to the watery fen.

North of Peterborough at Stamford is England’s Greatest Elizabethan House Burghley, built and mostly designed by William Cecil, Lord High Treasurer to Queen Elizabeth I. Burghley House offers visitors the chance to view this magnificent stately home and is also host to the annual three-day world famous Burghley Horse Trials. The Burghley Horse Trials are classified as one of the six leading three-day equestrian events in the world, notable competitors over its illustrious history include H.R.H. Princess Anne, her husband Captain Mark Phillips and daughter Zara Phillips.

Peterborough and its home county of Cambridgeshire boasts in excess of 25 golf courses. Burghley Park Golf Club dates back to 1890 with a meeting at the George Hotel, Stamford at which the Marquis of Exeter consented to the building of a ‘links course’ on the Burghley Estate. Over 125 years latter, the championship ‘links’ have been extended and developed into an enjoyable and good test of golf for players of all standards. The acclaimed Peterborough Milton is 4.5 miles from Fletton Quays, an historic woodland course designed by James Braid in the late 1930’s and stands within the historic Fitzwilliam Estate, affording magnificent views of Milton Hall and its beautiful landscaped gardens.
education is the passport to the future

Peterborough School provides education from Nursery to Sixth Form and The Kings School, a publicly funded Independent Academy founded in 1541 by Henry VIII, recently attained an outstanding Ofsted report. Further education is provided by the City College, Peterborough Regional College and The University Centre. Along with Cambridge’s world-renowned University campuses, Cambridgeshire also benefits from being home to 3 of the most outstanding and revered academic institutions in the UK:

Oundle School - 12.4 miles (25 mins)
A co-educational boarding and day independent school in the ancient market town of Oundle in Northamptonshire. The school has been maintained by the Worshipful Company of Grocers of the City of London since its foundation in 1556. Oundle has eight boys’ houses, five girls’ houses, a day house and a senior house. Together these accommodate more than 1,100 pupils. It is the third largest boarding school in England after Eton and Millfield.

Oakham School - 24.9 miles (35 mins)
A British co-educational independent school in the market town of Oakham in Rutland, with a school roll of about 1,000 pupils, aged from 10 to 18. The school was founded in 1584 by Archdeacon Robert Johnson. Oakham has produced many internationals and professional sportspersons including Lewis Moody (England rugby captain), Alex Brundle (racing driver), and Tom Croft (England rugby player).

Uppingham Independent School - 23.2 miles (34 mins)
In 1584 Uppingham School was founded with a hospital, or almshouse, by Archdeacon Robert Johnson. The School’s 785 boarders benefit from a singular focus and an economy of scale that enables a remarkable depth and diversity of curricular and extra-curricular opportunity. The first recorded Uppingham schoolboy was Henry Ferne from York, who was Chaplain to Charles I.
Established in January 2015, Peterborough Investment Partnership (PIP) is an innovative partnership between Peterborough City Council and GB Strategic Land Fund (GBSLF). By enabling the development of surplus land in the Council’s ownership, PIP is helping to support and sustain the growth and regeneration of Peterborough by creating new jobs, retail, housing and leisure facilities, and by generating reinvestment back into the city.

In 2015, Peterborough Investment Partnership brought forward plans for a £120 million development to regenerate the 6.4 hectare site. The submitted plans included 358 high-quality homes, 166,000ft² of office space, a multi-storey carpark, the landmark Hilton Garden Inn, and restaurant and leisure space to further improve the city’s and local area’s night-time offering. New cycle and pedestrian links, public realm and a dedicated ecology area were also to be incorporated. Two Grade II listed railway sheds on site will be refurbished as part of the project, with the bigger engine shed being incorporated into the larger of two office schemes.

Fletton Quays has been designed to have a positive and long-lasting impact on the city centre and Peterborough more widely, attracting new businesses and residents to the city, boosting the economy and contributing to an improved environment for all to enjoy. Today, a multi-decade dream is becoming a reality.
Computer generated photomontage of Fletton Quays.
Weston Homes at Fletton Quays is well served by rail and road links, it is less than an hour from London King's Cross and has quick connections to Central Cambridge by rail and Luton and Stansted airports by car. Also, you can travel from the city centre to the A1 in less than 10 minutes.

Peterborough Railway Station is the main station of the East Coast Mainline, operated by Virgin Trains East Coast. It recently received a £43m upgrade to deliver even more reliable services and greater capacity. It connects directly to London, Leeds, Newcastle, Cambridge, Leicester, Birmingham and Edinburgh. A new Thameslink connection due in 2018 will link Peterborough directly to Thameslink services for direct access to Gatwick and Luton airports and St Pancras international rail station.

You can travel from one side of Peterborough to the other in just 15 minutes on the parkway system, making it one of the best cities for commuting.

The Company was formed in 1987 by Bob Weston who took his considerable experience in the building industry to set up what has now become Weston Homes Plc, which has grown to become one of the major house builders of the South East. This is due, in no small part to its commitment to continual reassessment of the marketplace and the provision of properties to exceed the expectations of purchasers, both in terms of quality and value for money. Always forward-looking, Weston Homes has merged the traditional skills of house building with the ever-expanding opportunities and new areas available through the use of the latest technology.

Recently this has manifested itself through the company’s revolutionary new Project Genesis scheme. Through Project Genesis, Weston Homes has taken house building to a new level. Many of the properties’ components are pre-manufactured in factory conditions rather than on-site, allowing quality to be maintained. Strict quality controls are carried out at all stages with items including door sets, windows and kitchens, quickly and efficiently fitted on-site at an advanced stage of construction. The resultant cost saving allows for a higher specification to the property. As the Company has grown, its range of operations has expanded, with current developments stretching from the east of Essex down through London and the majority of surrounding Home Counties. Weston Homes Plc now has an established history in London and the home counties. Projects are varied, ranging from select housing developments to large scale city apartment complexes of hundreds of units. As well as new-build properties, the Company has extensive experience in the restoration and refurbishment of historic buildings.
All purchasers of Fletton Quays will be provided with the information manual from Weston Homes at the point of reservation. The information manual includes all of the information required to ensure the purchasing process is as smooth as possible. The manual includes the handover manual, presented in a leather bound folio; containing important information and contact details. The home-owner’s folio also allows the purchaser space to add any other documents which may collect throughout the purchasing process. The manuals for every appliance in the new property as well as the home information pack are issued to make buying and moving in at Fletton Quays as stress-free as possible.

On reservation, the selling agent will require details of the purchaser’s solicitors who will be instructed accordingly.

The exchange of contracts date will be strictly adhered to. If any contracts are not exchanged on the appropriate date, Weston Homes Plc reserves the right to re-offer the property. It is therefore in the purchaser’s interest to keep in close contact with the selling agent.

On reservation or anticipated completion date will be given and the selling agent will keep you informed of the progress of construction. The appropriate notice of completion will be given so that you are able to move in your home. Upon completion, if the seller agrees, the key will be released to the selling agent.

Deposit
A deposit of £5,000 is required to be paid on reservation, subject to contract, which will be retained if the purchaser withdraws before exchange of contracts.
