# FAQs

DO YOU WANT TO OWN YOUR OWN PROPERTY IN BURY ST EDMUNDS BUT NEED HELP GETTING ONTO THE LADDER?

YOU MAY BE ELIGIBLE FOR A DISCOUNT ON A NEW HOME OF 20% WITH DMS<sup>^</sup>.

## WHAT IS DMS<sup>^</sup>?

DMS<sup>^</sup> stands for 'discount market sale'. This is a home ownership product designed to help eligible buyers.

Through DMS<sup>^</sup>, you can buy a property with a discount of 20% of the full market value. For instance, a property with a market value of £220,000 would cost you £176,000 after the DMS<sup>^</sup> discount is applied.

## HOW DO I FINANCE MY DMS<sup>^</sup> PURCHASE?

To buy a home through DMS<sup>^</sup> you will need to provide a deposit using savings and apply for a mortgage through a lender in the normal way.

## HOW MUCH DO I NEED TO PAY AS A DEPOSIT?

You will need a minimum deposit of 5% of the purchase price, subject to your personal circumstances. Speak to an independent Financial Advisor for advice.

## DO I HAVE TO PAY STAMP DUTY?

If you are a first-time buyer, you pay NO stamp duty on a property's value up to £300,000.

## WHAT HAPPENS WHEN I WANT TO SELL MY HOME?

You can sell your home at any time at the same discount percentage that you received when you bought it.

Terms and conditions apply to both the purchase and onward sale of your DMS<sup>^</sup> property.

# WHY BUY NEW FROM WESTON HOMES?

Our new build homes at Tayfen Court, Bury St Edmunds are specifically designed with you in mind.

As well as being committed to help you save money on energy bills, Weston Homes can also help you do your bit to save the planet.

## HEAT YOUR HOME FOR LESS

Weston Homes provides energy efficient heating in all our new homes. Because newer homes need drastically less energy to power, buyers of new build homes can **save an average of over £950 every year on their household bills.**\*\*

## HEALTHIER BUILDINGS

In line with our commitment to building sustainably, Weston Homes has a 'Fabric First' approach to the design and construction of all new build homes which means sustainability is built into the building and is not just an afterthought.

## REDUCING REPAIRS AND MAINTENANCE COSTS

We provide our own warranty for the first 2 years after legal completion and then offer an NHBC New Homes Building Warranty from years 3-10.

The appliances in all our new build properties also come with standard manufacturers' guarantees and warranties, so everything from the bricks and mortar to the fridge and oven is covered. And our EPC ratings are rated B.

## KEEPING YOU WARM AND SAVING YOU MONEY

Our oversized thermally insulated windows and patio doors look the part and help to keep the cold out, so you can stay cosy and warm in your home from the temperamental British weather.

## WATER DRAINAGE SYSTEMS THAT MINIMISE WASTE

Sustainable urban drainage systems are installed to reduce flooding and avoid water pollution.

## GREEN MORTGAGES

Buyers could benefit from lower mortgage interest rates when purchasing a new home that has an EPC rating of B or above!

## LIGHTING AND ELECTRICITY

At Weston Homes we have double height windows that let in a good amount of natural light, reducing your need for artificial lighting.

We also provide high-efficiency lights both inside and outside your home to lower running costs. LED lights can reduce emissions by up to 65kg a year, so you can help save the environment and benefit from a significant reduction in your electricity bills- it's a win-win!
